

# SEASONS OF SERVICE

DIVISION 5, K-T DISTRICT, KIWANIS INTERNATIONAL

JULY 2005

*The trees are providing much needed shade.*

*What hands on service project does your club have planned this season?*

## Aloha! from the 90<sup>th</sup> Kiwanis International Convention

Gov. C.D. and Lt. Gov. Jan at the District Luau

If you were there (and I believe 13 Division 5 Kiwanians, plus 10 guests, the highest representation in the K-T District were), you know what a wonderful experience it was!

Informational workshops and forums preceded the Opening Session which highlighted a Hawaiian Cultural Presentation and the Parade of Flags, plus a moving address by First Lady Susan Van Kleef and an inspirational message from International President Case.

On Monday, delegates had their chance to cast their ballots and express their opinions during the House of Delegates. *See the next page for election results.* Also on Monday, Division 5 Kiwanians joined others in the District at a Luau, held on the grounds of the Hale Koa Hotel at Waikiki (thanks to Herk Holbert and PLTG Gale Keown for making the arrangements).

Your Lt. Governor played “convention hooky” on Tuesday, and enjoyed a Circle Island Tour of Oahu, while others attended a special session dedicated to enhancing our understanding of the needs of children throughout the world. The convention closed on Tuesday night with a motivational message from incoming International President Steve Siemens. During his speech, he threw many outmoded concepts into a casket, and challenged us to look to a brighter tomorrow, full of energy and enthusiasm for a new day in Kiwanis. (Northside has let me know they are purchasing the DVD, which can be made available to clubs for a program).

We began our departures on Wednesday morning, invigorated, inspired and intent on making each of our Division 5 clubs ever more responsive to the needs in our communities.

## Happy Birthday, Maryville!

A picnic on July 19, commemorated Maryville’s 85 years of service to the community. Attendees enjoyed a great cook-out and fabulous music and fellowship. The rain even held off long enough for everyone to enjoy the festivities! This was not only a look back, however. Also on display was the Imagination Train, representing the club’s newest service project—a commitment to spearhead the Imagination Library in Blount County.

## Results from the July 4, 2005 International Convention House of Delegates Session:

Steve Siemens, from the Nebraska-Iowa District, was elected president for the 2005-06 administrative year, with the California-Nevada-Hawaii District's Nelson Tucker, serving as President-Elect. The Montana District's Dave Curry was elected Vice President-Treasurer, while the new Trustees for 2005-06 are Thomas DeJulio (New York), Webster James (Carolinas) and Sylvester Neal (Pacific Northwest) from Region I, and Jorge Garcia Rivera (Andean and Central America) from Region V.

## July DCM

Thanks to Lt. Gov. Elect Designate Ralph Harness for conducting the meeting in the absence of Lt. Gov. Jan and Lt. Gov. Elect Bob, both of whom were called away to resolve issues of aging for significant family members. Attendees enjoyed delicious desserts provided by Newport in the pleasant surroundings of Citizens National Bank, Kodak, made possible by Sevierville. Items of interest included Gov. C.D.'s notification of a new club building effort slated to begin in East Knoxville, Past International President Bo's concept of a traveling dental clinic sponsored by the Division, and Past Gov. Asa's program on prostate cancer. No action was taken on any of the items. Congratulations to Sevierville for being named "Club of the Quarter".

Unfortunately, we're still seeing a drop off in attendance, and also some in service, not to mention not many new members. This is not the time to wind down. Those we serve need us more than ever, and it is possible to be exciting, even in these hot and humid days. Alcoa is starting a new K-Kids, Maryville just held a successful Leadership Camp for Middle Schoolers, Farragut hosted a membership drive, and Westown is looking at a new fundraiser. Two months and counting—that's still 16-2/3% of your year to go. Don't waste it!!!!
