

SEASONS OF SERVICE

DIVISION 5, K-T DISTRICT, KIWANIS INTERNATIONAL

AUGUST 2005

Big Orange is in the air (and beginning to show in a few trees).

What hands-on service project does your club have planned this season?

Northside makes Big News

Northside President Tom Mattingly presents Dr. Bob Harvey with a \$10,000 check to aid Knoxville College

Hope you've been following the impact Northside has had on the local media, and more importantly, on the future of Knoxville College. Their \$10,000 donation to the college was followed closely by the media, who gave it pre-and post-coverage on at least two local network TV stations, as well as a page heading article and "good news" mention in the *News Sentinel*.

For the college, it has been a major catalyst for additional donations and has reestablished partnering conversations between Knoxville College and UT. Northside chose to make this donation to honor one of their own—Past. Lt. Governor Dr. Bob Harvey, who is heading the interim leadership team at the college. Truly, this represents the best of what Kiwanis is all about, and it's wonderful to have received such positive recognition!

Kiwanis International Foundation Hurricane Relief Efforts

RALPH E. WILSON, JR., PRESIDENT
KIWANIS INTERNATIONAL FOUNDATION

Your International Kiwanis Foundation has again been called upon to aid in disaster relief. Hurricane Katrina has destroyed many homes and businesses in the United States Gulf Coast. The Kiwanis International Foundation Disaster Relief Fund will be utilized to aid children affected by the devastating hurricane.

The Foundation, working through the districts and clubs within the affected areas, ensures that contributions will be directed to children with the most immediate and critical needs.

Many of the concerned ask if there is anything they can do to help. Contributions are being accepted. Please send your support to the Kiwanis International Foundation Disaster Relief Fund, 3636 Woodview Trace, Indianapolis, Indiana, USA 46268 or online via the link at kiwanis.org: <https://ssl.kiwanis.org/ssl/kif/disaster.asp>

Our thoughts are with the countless individuals suffering because of this natural disaster. Please join us in serving children who are truly the most innocent victims of severe tragedies.

Final Call for District Convention

At last count, 10 of 13 clubs in Division 5 (35 Kiwanians plus some guests) were registered for the convention, to be held September 9-11, in Louisville, KY. The early bird deadline has passed, but procrastinators can still register.

The convention promises lots of great seminars, fun activities and incredible Kiwanis fellowship, as well as all that Louisville has to offer.

And don't forget to come early and participate in the Foundation Golf Tournament. The Foundation also benefits from your Silent Auction donations (and high bids). And First Lady Joanne wants your pop tops, which benefit Ronald McDonald House. Finally, don't forget to bring a tri-fold display of all or your club's awesome service projects. See you there!

Newport is 85

Invitations have been sent out to all the clubs to Newport's 85th anniversary celebration on September 20. Deadline is September 1. Be sure to make your reservations today! International President Case Van Kleef is the keynote speaker.

Key Leader

Are you familiar with the newest youth program sponsored by Kiwanis? You should be, as it is a "happenin' thing" right in our midst. Or, at least it will be, IF your club supports it NOW.

A Key Leader Week-end is scheduled for September 16-18 at Camp Wesley Woods in Townsend. It cannot happen without more participants. We NEED to spread the word, and provide scholarships for the \$150 registration fee. Our high schoolers deserve this opportunity. Please invite them today, and refer them to key-leader.org. On that site you (and they) can discover that

* A Key Leader will learn the most important lesson of leadership—leadership comes from helping others succeed.

* Key Leader is designed to reach students in the middle of the pack as opposed to those at the top of the academic pyramid.

* Key Leader is designed to begin a process of personal leadership growth and development as opposed to being a weekend event that is forgotten weeks or months later. It will be a life-changing experience.

* Key Leader is designed to open doors to leaders as young as recent eighth grade graduates. Leadership development shouldn't wait.

* Key Leader is designed to teach what it means to be a youth leader in three different communities: the local community; the state or national community; and the global community.

New Club Building

Yes, Division 5 has a club under construction. Recruitment has taken place in the East Knoxville (Asheville Highway/Straw Plains area) to form a new club to serve that community. To date approximately 18 potential members have indicated an interest, and others are "on the fence". Enthusiasm for service ran high at their first pre-organization meeting, and volunteers stepped forward to serve on both the nominating and service committees. Their next pre-org meeting is set for noon, Wednesday, September 7, at Grizzly's on Asheville Hwy (11E) near the split with 25E. All Division 5 Kiwanians are invited and encouraged to attend that meeting, and share their special Kiwanis moment.

Westtown and Bearden High Key Club team up to install "comfy seats" in Neyland Stadium—a fundraiser for Westtown.

Now is NOT the time to slack off. We've all worked too hard to let it slide now. We, as individual Kiwanis leaders, MUST reaffirm our commitment to have our clubs stronger at the end of the year than they were at the beginning. We owe it to the children. They are counting on us. We must rededicate ourselves to:

- Net 1 member in EVERY club
- Hands-on service by EVERY club in ALL service categories
- Positive PR, based on meaningful service

Recommit today, for time is getting short—there are only thirty todays left in your year.
