

# SEASONS OF SERVICE

DIVISION 5, K-T DISTRICT, KIWANIS INTERNATIONAL

MARCH 2005

*The trees are budding.*

*What hands on service project does your club have planned this season?*

## Highlights from the Mid Winter Conference

It was wonderful to see so many Division 5 Kiwanians in attendance. **Governor C.D. Reese** is to be commended for leading an outstanding meeting! Some of our officers for next year were trained by three of our own trainers, and other leaders attended the general session and workshops.

Clay Tipton, of Heritage Middle School Builders Club addresses the audience.

A choir from Cocke Co. High School provided Saturday evening's entertainment

Of note is that our own PLTG **Donnie Ellis** of the Norwood club was appointed to a three year term on the KY-TN District Foundation Board. Congratulations, Donnie

One "hot topic" was how the **annual dues** will affect the individual clubs. Here's what we learned.

1. All clubs owe semi-annual dues now, amount was determined by the roster sent previously.

2. Club annual billing, beginning in September, will be based on charter month. The procedure will be similar to what we have now in that Kiwanis International will send each club its roster. The club secretary/treasurer should update the roster, adding new members and deleting former members. The number of members on the updated roster will determine the club's obligation to Kiwanis International. The schedule is at the right.

## April 16<sup>th</sup> Kiwanis Involvement Day

This is the date Gov. C.D. has set aside for ALL clubs in the District to perform some sort of Community Service. I've heard from a few clubs as to what they have planned. I'd like to hear from all of you, so I can submit a story to the *News Sentinel*. It doesn't have to be anything fancy—partnering with another organization or club, doing a regular Saturday service project, whatever. The important thing is that all 13 clubs are doing something. This is a real opportunity for us to get our name out, and let greater Knoxville know what we do.

## Donations to the KY-TN District Foundation

At our last DCM, we voted to honor Gov. C.D. at the District convention in September with a donation in his honor to the K-T District Foundation. Suggested amount was \$1.00 per member. A few clubs have sent in their contribution. Others should send their (project account) check, made payable to Division 5, with a memo "Foundation gift", to our Division Sec/Treas Bob Ergenbright, Broadway UMC, 309 East Broadway Avenue, Maryville, TN 37804.

## Division Operating Funds

In accordance with tradition and by vote at the last DCM, all clubs are asked to contribute \$1.00 per member to the Division for operating expenses. A few clubs have sent in their contribution. Others should send their (admin account) check, made payable to Division 5, with a memo "Admin", to our Division Sec/Treas Bob Ergenbright, Broadway UMC, 309 East Broadway Avenue, Maryville, TN 37804. Thank you.

## Kiwanis International Foundation Gift

If your club has not yet made its Annual Gift to the International Foundation, please do so soon. The higher the percentage of clubs in the District who donate, the more scholarship money is available to the District from International. Recommended donation is \$2.00 to \$5.00 per member, with a minimum of \$100.

Don't forget that all clubs must have their **club election of officers** between April 1 and May 15. You should have already appointed your nominating committee. Refer to the Standard Form for Club Bylaws, Articles XI and XII if you have any questions.

## New training materials unveiled

CLE will have a new look beginning this year. Some materials have been updated, and others changed. This is all part of the attempt to make Kiwanis more relevant to today's world. Division 5's training is scheduled for June 4. Be sure to give the date to your new officers.
